Leach Early Childhood Center

ROOM PARENTS

Each classroom will have one room parent. This parent should have had a child in the program already for at least one year. I will collect names of people interested in volunteering for this position and pick a name from a hat to determine who gets to do it- I am confident I will have a few from each class 😊).

Class Parent responsibilities will be:

- 🌈 Join the EPAC committee. This parent advisory committee meets 3 times during the year. Please see attached letter about EPAC.
- 🌈 Help welcome new families to the program.
- 🌈 Act as a resource to new families with questions about the program.
- 🌈 Help coordinate parent gatherings outside of school.
- 🌈 Help coordinate drivers for class trips.

Please email me if you are interested!
